...are what you will find as you step back in time and onto the porch of this vintage Victorian home.

Our inn is filled with elegant antiques and plump, cozy furnishings and we are looking forward to pampering you in style and comfort.

Let us create the perfect escape for your anniversary, or special occasion and give yourselves a "chance to enhance the romance."

Enjoy a glass of wine next to the stone fireproof on the patio.

A VISIT TO AUGUSTA

Arrive in Augusta early to enjoy the local architecture, taste the vintner's special wines, visit the shops or bike or hike the Katy. Several fine eating establishments can reward your appetite with a delicious meal.

When the day is done return to the inn for a relaxing respite in the sunroom or on the patio by the fireplace. Slip on a comfy robe and head out to an up-to-the-neck soak in the outdoor jacuzzi before you retire to a peaceful night's slumber.

In the morning a bountiful breakfast will be served on antique china in the gathering room. Our menu changes daily so stay a few days to try all the chef's favorites.

We have four Guest Rooms, all with queen beds and private baths with either showers or Champagne Massage Tubs. All guest rooms are unique in décor and whisper of an era long past.

What makes us special:

- **Clawfoot-style, oversized “Champagne Massage Tubs”**
- **Brick floored sunroom with stone fireplace—the “outdoors” inside**
- **Outdoor Stone Fireplace/Patio**
- **Outdoor Jacuzzi hot tub in the secluded garden house**
- **Plush robes provided**
- **Fresh baked cookies, wine, homemade bread, assorted teas, coffee, cappuccino and cold beverages.**
- **Bountiful Breakfast—Lindenhof Specialty is a cheese-strudel french toast with fresh fruit, individual havarti quiche, sausage or bacon, and the trimmings.**
- **Walk to Wineries/Katy Trail**
- **Gift Certificates**
- **Multi-night stay discounts**
- **Lush gardens/fountain**
- **Elegantly decorated with family heirlooms, antiques, and comfortable furnishings**
